# LLOPART

## PANORAMIC

BRUT – LONG AGING

CORPINNAT

### THE WINE

This is landscape at its maximum expression, in which the classic grape trilogy of the Penedès shows its most attractive and broadest character, perfectly combining volume and complexity with freshness and aromatic diversity.

It is one of the most historic Llopart wines, with more than 45 years in the market, and it has become a favorite for lovers of creamy, long and elegant sparkling wines. The label wishes to represent the exceptional “panoramic” view of the vineyards on our estate.

### THE VINEYARD

The country estate Can Llopart de Subirats is on average 360 meters above sea level and stretches out over a hill with uneven slopes. The estate comprises 500 hectares: 100Ha of vineyards and over 350Ha of Mediterranean forest. We directly control all our vineyards and we cultivate the soil bioecologically, according to the parameters of sustainable cultivation, with the utmost respect for the environment.

The particular geological configuration of our property (uneven orography with slopes and terraces and limited depth of the soil) produces grapevines with a great root extension, limited strength and one of the lowest yields in our grape-producing area.

### TASTING NOTES

Brightly gleaming golden color with delicate and fine bubbles. The long aging process allows for a complex bouquet of roasted nuts, honey along with echoing shades that hint at the mineral content of the soil. In the mouth it is structured and full. Creamy and with the perfect sweetness and acidity balance. Persistent character and taste.

### ANALYSIS

**Grape varieties:** 50% Xarel·lo, 40% Macabeu, 10% Parellada

**Minimum aging:** over 70 months

**Alcohol content (% vol.):** 11.9º

**Sugar content (gr/L):** 6,0

**Acidity (gr/L ac. tart.):** 6.2

**Ph:** 3.00

**Serving temperature:** 8-10ºC

**Traditional method**

**Manual harvest**

**Organic farming**

**Manual riddling**
