## ROSÉ BRUT 2020

BRUT RESERVA  
CORPINNAT

### THE WINE

A very unique rosé, with the Mediterranean flavor of Monastrell. Cheerful and bright, with lively bubbles, Rosé Brut displays lush fruity aromas, where the fruits of the forest, red apple and balsamic notes shine. Short skin maceration to extract the aromas and color before pressing.

### THE VINEYARD

The country estate Can Llopart de Subirats is on average 360 meters above sea level and stretches out over a hill with uneven slopes. The estate comprises 500 hectares: 102Ha of vineyards and over 350Ha of Mediterranean forest. We directly control all our vineyards and we cultivate the soil bioecologically, according to the parameters of sustainable cultivation, with the utmost respect for the environment. The particular geological configuration of our property (uneven orography with slopes and terraces and limited depth of the soil) produces grapevines with a great root extension, limited strength and one of the lowest yields in our grape-producing area.

### TASTING NOTES

Pale cherry-pink color, bright and very attractive. Well-developed bubbles, constant and small in size. Fruity exuberant aroma dominated by a variety of forest fruits along with delicate tannins. An initially potent flavor with good structure and just the right degree of acidity that maintains a perfect balance throughout its prolonged aftertaste.
