

“Floral youth”

VITIS

DO Penedès

THE WINE

Exultant combination of flowers and fruits that take us to the very origin of wine: the grape. Seductive blend of varieties that offer a wide aromatic range, *Vitis* has an everlasting memory.

THE SECRET LIFE OF PLANTS

“The secret life of plants” is the concept with which we want to convey our fascination and respect for the mysterious world of plants: living beings with sophisticated sensitivities, strategies and survival mechanisms. The new labeling emphasizes the task of vines as generators, through the substances captured from the soil, water and sun’s energy, of the aromas and flavors of this wine.

THE VINEYARD

The country estate Can Llopart de Subirats is on average 340 meters above sea level and stretches out over a hill with uneven slopes. The estate comprises 500 hectares: 100Ha of vineyards and over 350Ha of Mediterranean forest. We directly control all our vineyards and we cultivate the soil bioecologically, according to the parameters of sustainable cultivation, with the utmost respect for the environment. The particular geological configuration of our property (uneven orography with slopes and terraces and limited depth of the soil) produces grapevines with a great root extension, limited strength and one of the lowest yields in our grape-producing area.

TASTING NOTE

Pale yellow color, very bright. On the nose we find a rich combination of white fruits, rose petals, peach, nectarine, passion fruit, orange blossom, citrus, a hint of almonds and a lingering aniseed end from our mountain Xarel·lo grape. On the palate it surprises for its vibrant savor, alive and unctuous, with a persistent aftertaste. Intense and nice, delicately floral.

ANALYSIS

Grape varieties: Xarel·lo (60%), Subirat Parent (30%) and Muscat (10%)

Alcohol content (% vol.): 12,3%

Sugar content (gr/L):<2

Acidity (gr/L ac. tart.): 6.4

Ph: 2,9

Serving temperature: 6°C

Manual harvest

Organic farming
