

VITIS

DO Penedès

THE WINE

Exultant combination of flowers and fruits that take us to the very origin of wine: the grape. A comprehensive concert of varieties that offers a **wide palette of fresh aromas and flavors.**

THE SECRET LIFE OF PLANTS

The secret life of plants is the concept that conveys our fascination and respect for the mysterious world of plants: living beings with sophisticated sensibilities, strategies and survival mechanisms.

Vitis emphasizes the task of vines as generators of the aromas and flavors of this wine, through the substances captured from the soil, water and sun's energy.

THE VINEYARD

Vineyards located in the central area of the estate, belonging to the *Clos dels Costers* and the *Clos del Rocallís*.

Xarel-lo (60%) from **Simón's vineyard** (planted in 2004)

Malvasia (30%) from **Lluís' vineyard** (2008)

Muscat (10%) from **La Torrota vineyard** (2001)

TASTING NOTE

Pale and bright yellow color. On the nose we find a rich combination of white fruits and tropical fruits. Its lively and acute citric freshness is a result of our hilly estate, which grants a persistent and pleasant aftertaste. Intense, well-structured and delicately floral.

ANALYSIS

Grape varieties: Xarel-lo (60%), Malvasia (30%), Muscat (10%)

Alcohol content (% vol.): 11.6

Sugar content (gr/L): 0.6

Acidity (gr/L ac. tart.): 5.8
